We have specialist teachers who will assist with teaching English to non English speaking students. Each student will be assessed as to the level of English tuition required with they commence at our school.

International Students are integrated into a normal Year 7 or Year 8 class programme and become involved in the day to day learning of that class. They will be withdrawn as necessary for extra tuition from our specialist English tutors.

There are limited spaces available for International students and availability will be advised at the time of application.

School commences at 8.40am and finishes at 3.00pm Monday to Friday. We ask that all students are punctual and if they are going to be absent from school that our school office is notified.
