TOURNAMENT OF MINDS COMPETITION

On Saturday 3rd September, five BBI teams competed in the regional Tournament of Minds competition at Mission Heights Junior College. Three teams chose to compete in the STEM section of the competition; two in the Arts. One of our Arts teams, 'People', were the winners of the Intermediate division and went on to participate in the national competition in Wellington on Saturday 17th September. Congratulations to all students who participated in these events, and to 'People' for your success winning the Auckland regionals.

BBI 20 SEPTEMBER (END OF TERM 3) NEWSLETTER 2022

CHEERLEADING & DANCE SUCCESSES

On Sunday 18 September, the cheerleading team competed in the Spring Carnival competition and the jazz and hip hop teams competed in the DanceBrandz competition. The cheerleading team placed 1st in the Intermediate Schools Division making it clean sweep this year. Their final competition is in November where they will compete at Nationals.

It was the first competition of the year for the jazz group. They danced a technical routine very well and placed 3rd in their section. Being the final competition for the hip hop group, they left their heart and soul on the stage and placed 1st in the Schools Division. At the conclusion of the competition, the BBI Hip Hop group was announced as the Hip Hop Grand Champions because their score was the highest of all hip hop groups - beating 16 crews from dance academies around the North Island. Thank you to the choreographers and the parents for supporting dance at BBI.

SCHOOL DENTAL CLINICS

We have received a number of enquiries regarding the School Dental Clinics. The dental vans are not visiting schools. If you wish your child to see a dentist, please book through the **Wakaaranga School Dental clinic**.

Phone: 5720088. This is the official dental clinic for our school. For any dental emergencies please phone 0800 825 583 (0800 TALK TEETH)

The results were as follows:

Ariel Zhang 191

John Ling 160

Alan Figgins 129

Ben Thornton 121

Rita Williamson 118

Thank you to all the parents who stood on for our Board.

Our first Board meeting was held on Tuesday 20 September.

BBI 20 SEPTEMBER (END OF TERM 3) NEWSLETTER 2022

COLLECTING STUDENTS FROM SCHOOL DURING SCHOOL HOURS

We try to keep classroom disruption to a minimum. This is a reminder (except in cases of emergency) please ensure that if you need to collect students from school for an appointment etc, that a **prior** arrangement is made. Students need to be told by the parent the time they are being collected, and the student is to sign out at the office, ready and waiting to go out. Parents please send a note to the classroom teacher letting the teacher know. If at all possible please collect at the beginning or end of a "break time".

Please note: students must be collected from school by a parent / caregiver (designated adult), and are not to walk home on their own during school time.

Morning tea **10.30 - 10.50am**

Period 5 – students are all over school **12.10 - 12.45pm**

Lunch **12.45 – 1.45pm**

All visitors to the school, including parents, must go to the school office. If you are waiting for, or meeting students, then please wait outside the school grounds.

SECOND HAND UNIFORM SHOP OPEN ON TUESDAY AFTERNOONS FROM 3.00PM – start date Tuesday 27 September.

If your child has grown out of their school uniform and you are willing to donate good quality uniform to the second hand uniform shop, you are welcome to drop these off at the school office at any time. The school is no longer PURCHASING uniforms – you would need to sell privately for this. We do urgently require good quality P.E. Uniforms for the Second hand shop, so please consider donating. All proceeds will go towards School Projects that benefit the students.

With the lifting of Covid restrictions we will be opening our second hand uniform shop on Tuesday afternoons on a regular basis. The time will be from 3.00pm to approximately 3.30 – 3.45pm on a Tuesday. **There is no EFTPOS Facility, but we can take direct bank transfers, or cash sales.**

SPECIAL SPORTS AND AIMS GAMES REPORT

AIMS GAMES

We would like to take this opportunity to thank the parents who coached, managed and helped out throughout the AIMS week. Without their help, taking such a large group of students away to Tauranga would not have been possible. BBI would also like to thank the teachers who have spent countless hours preparing their team/s. BBI had a very successful week, and we know students will cherish these memories forever!

SPORT SUMMARIES WRITTEN BY STUDENTS

FUTSAL

We had a blast at AIMS! The tournament started on Saturday and we played ten games in total. On Saturday we played 3 games as well as Sunday. Then on Monday, we played 1 game which was live streamed. We had to win that game to make it into the top eight. Sadly we drew this game, but fought hard knowing our parents were watching and supporting us. This was the highlight of my AIMS Games experience as we played so well together as a team. In the round robin we won two games, drew three and lost two. Then came the Quarter Finals which we won 4-2, and then in the semi-finals we won 2-0 against Pukekohe. We played the final in our pool on Wednesday against Mount Maunganui. We drew that game. Overall, we came 9th out of 16 teams. I was awarded MVP (most valuable player) by my team and received a medal.

In our spare time, we really enjoyed supporting other BBI teams. I would like to thank Miss Leeuw for coaching us and my mum Lynn for managing the team. AIMS was a fantastic experience and I hope I get to go again next year!

BY LAUREN BILLINGS

NETBALL

After two consecutive years of no AIMS games due to the pandemic, we finally had the chance to go this year, which was exciting. The BBI AIMS netball team was made up of 12 talented Year 7 and Year 8 players coached by Mrs Adams. The netball games were held at the Tauranga Netball Centre. We played a total of 12 games over 5 days. We won 8 of our games and lost 4, however, 2 of those losses were very narrow, losing only by 1 goal. Unfortunately, we missed moving onto A grade by 1 point. We were disappointed, but B grade, out of 4 grades, is still good. We just had to revisit our goals and make new ones. Overall, we finished 46th place from 112 teams, which is an amazing achievement. There was some outstanding play from all players on court. More importantly though, we bonded together as a team and had lots of fun, building friendships outside of school and showing sportsmanship on and off the court. I was grateful to receive the team medal for my defensive work in the circle and my overall leadership and captaincy of the team. Our highlights were being able to attend AIMS for a start and to play against teams from all over New Zealand. We enjoyed being able to support other BBI teams in their competitions too. Coming back to Pacific Palms after several games and being able to swim in the pool and sit in the hot spa was also top of the list! Oh, and Bernadette's pancakes she made us for breakfast were also a hit!! Thank you to all those involved with our team.

BOYS HOCKEY TEAM 1

After a 2 year break, AIMS Games 2022 kicked off. I had been waiting for New Zealand's biggest sporting event to begin right from when I got selected for an AIMS team. This year's AIMS was one of the biggest yet with eleven thousand students and 323 schools competing. The week for the boy's "A" hockey started with a bang. We settled into our rooms and were off to the opening ceremony—people from all over the country filled the seats, there were songs and exciting performances. The next day was when the commotion started. With 2 wins on the back, all the boys were happy. The next followed with the same results but instead, we only played one match. On day 4, we had our last pool games for the week, both those games were a success. From now the games would get a whole lot harder. Day 5 was the quarter-finals and the semi-finals. For the quarter-finals, we had a comfortable win. The next game we knew was going to be a challenge. Everyone in the van was nervous, even the coach. This semi-final play-off was for the 1st and 2nd. In the 1st half of the match, it was 2-0 to St Peters. The next half was more exciting for us as we managed to score 2 goals making it a draw at the final whistle. Since this was the semi-finals we had to have a winner, which meant it went to a penalty shoot-out. We lost, most of the team was in tears. Losing this way was horrible. We lost our opportunity to play in the finals. The next day was our final day in Tauranga with one more important match to play. This match decided if we got the bronze medal. In the first half of the match, the team was confident, with a 3-1 lead to us. In the next half, the other team turned around and scored 4 more goals with an ending score of 4-5 to the other side. Just missing out on a medal was disappointing. There were many chances where we could have scored, but unfortunately, it did not go our way. Fourth place was still amazing out of twenty-three teams, and lots of people were proud of us. At the end of the week, everyone was exhausted and proud of their efforts. Thanks to Mr Nugent for coaching us and Mrs Ellis for feeding 18 hungry boys all week!

BY BEN ELLIS

BOYS HOCKEY TEAM 2

In February Mr Nugent started training a group of eager hockey boys 3 times a week. This became the BBI Hockey Academy. After months of training and success at the South Eastern Zone and Auckland Champs competitions, Mr Nugent selected 2 teams for AIMS. We couldn't wait to get to Tauranga! Overall we played eight games winning a total of 1 game. We finished with a total of 6 goals over the course of the tournament and 21 goals were scored against. Sadly we did not end up going home with a medal but we had a lot of fun. Thank you to Mr Nugent for spending so many hours coaching us and for teaching us so many things.

BY COLE McCABE

MIXED HOCKEY

On the 3 of September our mixed hockey team was off to AIMS. We left around 10:20 am and after a long ride we finally made it to our destination, between 2 pm and 3 pm. On Sunday we had a day to relax, unpack and some even went for a swim. Throughout the week, we played 9 games in total. We lost our last 2 games, placing us in 12th out of 50 mixed teams. On the turf, we learned to work as a team and support each other. I think we can all agree that one of our highlights was that we would sing in our fan, on our way to games - much to the joy of Mr Smith! We could not thank our parents enough and the teachers for giving us such a great opportunity. Thank you so much. **BY MCKENZIE GROBBELAAR**

CRICKET

There were 12 people part of the Indoor Cricket team for BBI this year. We had 10 players, Mr Neal our coach, and Mr Roper and Mr Welsh our parent helpers. Our first match was against Tauranga Intermediate. It was a closely contested match, we just lost by 8 runs. Our second match we played was against Tawa Intermediate and we also lost by 76 runs. They were a very well drilled and highly skilled team. They ended up winning AIMS. Our third match we played St Heliers Intermediate we lost by 27 runs. In our fourth match against Pukekohe Intermediate we won by 42 runs, and in our fifth match we played Somerville Intermediate where we won by 14 runs. Our last round robin game we played St Peters (Cambridge) we lost by 43 runs. We would like to thank our coach Mr Neal for taking the time and effort to help us play to the best of our abilities. Throughout the week, we learnt how to play as a team and how to play fairly. We would also like to thank Riley's and Jack's dad for supporting the team.

BY ARAV DOSHI

BASKETBALL

Most of the AIMS basketball boys have been playing in various teams in a Wednesday night competition since Term 1. This term, our coaches George and Alex held an AIMS trial. Mason and I were very happy and excited when we were selected for the team. Throughout the AIMS week, we played 9 games and won 5 games. Two of the games we lost were very close, only losing by 2 points in the last few minutes. It was a very good week because we had the best food in the whole of the BBI team! Luckily, we had several mums who cooked amazing meals for us - better than a restaurant! Most of our team had never been to Mt Maunganui before and it was really good as we got to spend some time enjoying the sights and visiting the beautiful beach. Mason and I loved the AIMS experience. It was really motivating for us to play against and watch some of the best basketball schools in NZ.

BY OSCAR LAM & MASON SUN

FOOTBALL

Leading up to Aims, the football team did 2 training sessions per week which sometimes included practice games. By the time AIMS came around, we were confident in our ability as players and our camaraderie as teammates. We started the tournament strong and were undefeated in our pool with 6 wins and a draw including a last minute winner against St Peters Auckland. On day 4, we had our first knockout stage game against Otumoetai. At full time, the score was level. It was time for a penalty shoot-out. Unfortunately, we lost 4-3 on penalties to the team that ended up winning AIMS. It was devastating to lose in that way! The full time score didn't reflect our dominance throughout the entire game especially being up 2-0 at half time. Overall, we ended up finishing 12th out of 50 teams and we were very thankful for the opportunity to participate in this great tournament. We also loved staying in a great resort. Thanks very much to Greg and Ryan for coaching the team. Thanks also to the parents who travelled to Tauranga and helped to manage the team. This is an experience we will never forget!

HIP HOP

In Term 1 of 2022, 9 students were selected to represent BBI in the Hip Hop crew. Every Thursday morning we trained our hardest and were very dedicated to do our best. On the 2nd of September, the BBI Hip Hop team travelled to Aims Games. With our hair and makeup done, and our costumes on, we were ready to make an impression and hit that stage! Every crew member worked as a team to shine and to show the other schools and the audience who we are and where we are from - we achieved that! We placed 3rd out of 24 schools! We are very proud of getting the first medal of the AIMS Games for BBI in 2022. Thank you to Maddy Barnett for being an amazing choreographer and for pushing us to succeed and strive to always achieve our personal best. Also, thank you to Mila Stanisich and Jazzy Jones for keeping us on track and working us hard in Maddy's absence. AIMS Games for the 2022 BBI Hip Hop Crew was definitely an achievement and memory we will cherish forever.

SWIMMING

AIMS was by far one of the best weeks of the year. Everyone was in high spirits and we cheered each other on. To race in an event, all swimmers had to achieve qualifying times set by Swimming New Zealand. The swimming team swam for 3 days in total and we won many medals and swam personal best times. The girl's 4x50 freestyle relay won the first event of the competition which was one of the many highlights. AIMS was filled with memories with friends, teammates and races with some of the best swimmers across the country. Our results were as follows:

Gold - Girls 4 x 50m Freestyle (Kymond Chan, Gariad Chan, Rebecca Wang, Kiri Yamagami)

Gold - Kiri Yamagami 50m Butterfly

Gold - Kiri Yamagami 100m Butterfly

Gold - Kiri Yamagami 50m Freestyle

Gold - Kiri Yamagami 100m Freestyle

Gold - Kiri Yamagami 200m Freestyle

Gold - Kiri Yamagami 100m Backstroke

Silver - Kiri Yamagami 50m Backstroke

Silver - 6 x 50m Mixed Freestyle Relay (Peter Lu, Kymond Chan, Aidan Taylor, Gariad Chan, Morgan Reynolds, Kiri Yamagami)

Silver - 4 x 50m Mixed Freestyle Relay (Peter Lu, Kymond Chan, Morgan Reynolds, Kiri Yamagami)

Silver - 6 x 50m Girls Freestyle Relay (Kymond Chan, Dhruva Sisodia, Rebecca Wang, Gariad Chan, Bianca Chow, Kiri Yamagami)

Bronze - Morgan Reynolds 200m Breaststroke

Bronze - 4 x 50m Mixed Medley Relay (Morgan Reynolds, Peter Lu, Kymond Chan, Kiri Yamagami)

TENNIS

On Sunday the 4th of September the Aims Tennis Team set off to Tauranga where they would stay for the next week. The tennis team included Emma Lang, Kate Sim, Kerryn Bertram, Annie Dong, Eva Liswan, Samantha Souphanthavong, Andy Wu and Maxwell Goldberg. The first day we started it was raining, so we all hung out with each other and played some games - unfortunately games that didn't involve a tennis racket!. The next day was Tuesday and that was when the tournament started. We all got up at 6am to warm up at the courts by 7. It was 3 degrees! Most of the team had games at 8am. It was a really fun day supporting our team on the side line and making sure we all tried our best. The rest of the week was pretty similar but on Wednesday doubles started. We ended up having a really fun time and for most of us it was the highlight of our year. We also ended up getting quite a few medals too. Eva Liswan and Andy Wu came 1st in singles for their bronze grade. Samantha and Kate came 3rd for doubles after playing one of our other BBI doubles teams Kerryn and Emma who placed 4th. Annie and Eva lost the first round of doubles but won most of their games after and Andy and Maxwell did the same. We had so much fun at the tournament and at home each night. We played lots of games outside and we were very tired at night. We didn't want to leave. AIMS is already the highlight of my year!

CROSS COUNTRY

A team of 18 runners gathered early on Sunday 4 September at Waipuna Park ready to conquer the tough 3km cross country course. With well over 100 runners in each section, the start was brutal as everyone pushed and jostled for an advantage. Congratulations to the whole team for trying your best and completing the race. After the cross country races in each division were completed, Miss Knowles selected a group of 6 runners to race in the relay event. The six runners were Jack Roper, Ben Ellis, Harrison Cate, Luca Ashton, Riley Hutton & Alastair Cheneka. Each runner had to run a shortened version of the course as fast as they could before passing the baton to the next runner. The BBI team did very well placing 5th. Below are the first finishers in each division:

Year 7 Girls 117 finishers - Milly Maddock 20th (12.51)

Year 7 Boys 118 finishers - Jack Roper 25th (11.54)

Year 8 Girls 143 finishers - Lucia Gunson 72nd (13.34)

Year 8 Boys 121 finishers - Ben Ellis 43rd (12.01)

BADMINTON

Aims is one of the biggest kids tournaments in the Southern Hemisphere with 11 thousand kids participating. It was a great opportunity for everyone as we got to show our talent and compete with other schools. I took part in badminton earning fourth place in doubles and was awarded a white medal for showing sportsmanship. Other BBI badminton successes included Carter Tsui and Justin Lee placing 2nd in Division 2 and Austin Cai and Andy Luo placing 3rd in Division 1. I really enjoyed playing AIMS badminton and I look forward to doing it again next year. I would like to thank all the organisers, parents and teachers who took part in this event to make it possible.

TABLE TENNIS

On September the 5th 2022 at 9:00 AM, 8 students from BBI went to Tauranga and competed in AIMS Table Tennis. The event was held at Queen Elizabeth Youth Centre. The BBI team consisted of Leo Liu, Lemuel Ling, Kyan Zhang, Arron Zhu, Josephine Chong, Maxwell Xiao, and Liam Brooke-Smith. The event lasted from Monday to Friday and there were 5 different events that you could compete in: boys doubles, girls doubles, mixed doubles, boys singles, and girls singles.

These were the combinations we used:

Teams: Lemuel, Leo and Aaron.

Men Doubles:

Team 1 Lemuel and Aaron.

Team 2 Kyan and Maxwell.

Team 3 Leo and Liam.

Women Singles: Josephine Chong

Places:

4th boys doubles Team 1

4th Josephine Chong Women's Singles

Placing 4th for teams was a big highlight for us because we did not expect to be able to make it into the top 4. Another highlight would be that up until the final team game, Aaron and Lemuel had a perfect record. We had a very fun week and even though we were all tired after the games it was still worth it.

BY LEMUEL LING

SQUASH

On the 4th of September, I went to AIMS Games 2022, to represent BBI for squash at Mount Squash Club. Everyone who competes in the competition gets a seat number, which is basically your ranking. My seat was 30 at the start but I was able to climb the ranks. My first match was on Monday, against someone at seat 3 and I lost 3:0, but that didn't discourage me as I still had four matches. I lost my next 3 matches however, against seats number 19, 27 and 20, all 3:0. I did win my last match against seat 29 3:1, climbing up to seat 28. During my experience at AIMS, I learnt a lot and loved every minute of it so I will likely go back next year.

BY JEFFREY WANG

ROCK CLIMBING

As a Year 7 student, I had heard about AIMS and I really wanted to be involved. When mum and I found out that rock climbing was an AIMS sport, we decided to give it a go! Lemuel Ling and Eric Shen completed the BBI AIMS Rock Climbing team. We travelled down to Tauranga on Saturday and our first day of competition for year 7's was on Sunday. Firstly, we did Top Rope. This is where you have to climb as high as you can in 2.30 seconds. We all made it through the first qualifying round. Next, was the Bouldering event. We had to figure out how to climb a 2.5 metre wall with no rope attached. If you made it to the top you achieved maximum points. All 3 of us made it to the top in the first round. Our final event was the Speed Wall. We had to climb a 15m wall as quickly as we could. The points gained from all 3 events were added together. Eric placed 16th, I finished in 18th and Lemuel placed 22nd. We all had a fantastic week and I am looking forward to AIMS 2023.

YACHTING

On the 5th to the 7th of September the BBI Sailing Team competed in the AIMS sailing competition. On the first day, it was 13 to 16 knots which is about 24 to 30 kph winds. There was also a significant amount of tide as we were sailing. The second day was the coldest of them all and it was about 5 degrees Celsius. It was tough sailing in these conditions! On the last day, the fleet was split into two different groups - Gold and Silver. The Gold Fleet was the harder fleet and had the top 30 sailors in it. On the last day, after three tough days of sailing, we had prize giving. The school team placed 3rd! Callum Noyer and Callum Hyde's combined points equalled 103 - placing BBI as the 3rd best school. Holly Robson was also awarded a bronze medal for placing 3rd in the Year 7 Girls Gold Fleet. In the Silver Fleet, Roberto Beavis placed 3rd, and his sister Martina Beavis also placed 3rd in the Silver Fleet. We are very proud of the team because this is the first time BBI has won a sailing medal and we walked away with four! We would like to thank our team managers David Noyer and Robin Hyde for all their help.

GOLF

Raymond and I both play golf at Howick Golf Club. We have both had a number of years of experience but are still learning the game. We were very excited about representing BBI at AIMS and playing the sport we love. At first, we wanted to compete in the 9 hole division but because our handicaps were too low, we had to play in the 18 hole competition. This was challenging but also exciting. Over the week, we were supposed to play 4 different courses but because of bad weather, the first day at Te Puke was cancelled. Day 2 was played at Omanu Golf Club. The golf course was pretty hard, it required a lot of skill and precision, if you go left then your ball is basically gone. It was pretty hard but fun. Day 3 had us playing at Mount Maunganui Golf Club. The course had lots of steep hills, a lot of trees and the rough was pretty long. My highlight was hitting a birdie on hole 13. Overall, AIMS was really fun. Raymond and I got to see lots of amazing golfers from all around New Zealand. This has given us motivation to keep training hard so we improve.

MOUNTAIN BIKING

Due to AIMS being cancelled last year, I was really grateful that I got to experience this huge sporting competition. As the only BBI competitor in mountain biking, I trained hard at Woodhill Forest with the JAFFFA Kids Mountain Biking Academy. The AIMS Mountain Biking competition consists of two events - a Cross Country race and an Enduro race. There were 80 riders from all around NZ entered. My goal was to finish in the top 20 riders. The first event was the Cross Country. This was 10km in total we rode 2 x 5km laps. The course was steep, muddy and technical. I tried my best and finished in 16th place. I am very happy with that result.

Day 2 was the Enduro event. With this event, there were 3 downhill stages. Each stage was timed. The aim was to complete each stage as fast as you could. This is a new event and one I hadn't trained for. I was happy to experience something new. Overall, AIMS was a great experience and I am very happy with my results.

AEROBICS YELLOW GROUP

We auditioned way back in Term 1 and 12 lucky girls got picked in the 2 aerobics teams. Abby and Mia Bolton, two ex-BBI students, had a hard time selecting who would be in team Yellow and in the Blue team. For the yellow team, we have trained at 7 am every Monday morning leading up to Aims. It was anything but easy to get to the point we are now. None of us have ever done aerobics but we have come from dance, cheerleading, and gymnastics backgrounds. On Thursday 8th of September, we competed in the Aims Aerobics Group Competition. BBI has a very proud reputation in aerobics and has always medalled in aerobics. Our goal was to win Gold, but we knew that we would have very tough competition against St Kents and our other BBI aerobics team. We worked very hard and were very thrilled when we were announced in 1st place - winning the Gold! I have been waiting for almost 2 years and finally got to succeed in something that I love. I would like to say thank Abby and Mia Bolton for giving us an amazing routine. Also thank you to the parents who looked after us at AIMS.

BY KRISTA TURRALL

AEROBICS BLUE GROUP

Aims 2022 was a fantastic opportunity for the Year 7 and 8's to try aerobics for the first time. We hit the floor strong and executed a well choreographed routine (special thanks to Abby and Mia Bolton for the choreography). We did well enough to land ourselves in 3rd place, just behind St Kents. Great Job to BBI team Yellow who brought home the gold! In the individuals category we brought home 1 Gold, 2 Silver, and 1 Bronze medal. All of us aerobics girls went down for the Gym Sport category held throughout the week as well, and had a spectacular time supporting and spending time with each other. Well done girls, I loved competing alongside you all!
