Education Outside the Classroom

This school has a long and very successful involvement in Outdoor Education.

Our policy is to involve, if possible, all Year 7 students in a school camp in their first term with us. In this way, maximum benefits can be gained from the experience.

Three camps at Administration Bay on Motutapu Island will be held in Term 1 2023.

The dates are yet to be confirmed but we expect camp dates to be between Monday 6th March and Friday 17th March 2023.

The cost of the camp will be \$420.00. This amount is payable before students go away on camp. Should parents have financial difficulties associated with the payment of these fees, they should speak in confidence to the principal.

In order to meet our safety standards, we will be seeking parent support to accompany classes on these visits. Our experience has shown that parents who do go find it a very worthwhile experience. The camp volunteer sign up form will be sent home in the first week of school.

Students will also have opportunities to participate in field trips associated with class programmes during the year. These are seen as an important aspect of a particular study and it is hoped all students can participate.

KAMAR Portal

We have been working on developing our Student Management System to enable parents to pay stationery, camp, sporting fees and any activity fees etc. online directly through our Kamar system. **You will be sent a letter in January 2023 with a unique code to log into this system. This is a unique log in for your student. Do save this log in for future.**

Stationery

All students will be issued with a stationery list on the first day of school. (The stationery list is not available before then.)

All students should be prepared on the first day with a writing pad, pen and pencil to enable programmes to begin promptly.

We endeavour to keep the stationery cost to parents as reasonable as possible by purchasing packs in bulk.

The stationery packs will be distributed through classes from the second day of school. The packs will not be available for sale at the office. Parents are also welcome to purchase stationery from retail shops of their choice after the list has been distributed. (This will be explained fully on the stationery list.)

Digital Devices

Students are encouraged to have their own digital devices if possible. There are digital devices available at school for those students who do not have one, but the more students who bring their own, the better we can use our school resources to fund high end digital resources for our students. There will be more information at the New Parent evening on Wednesday 23 November 2022. We recommend a **Chrome Book** (high end if possible) or a Macbook.

Newsletters

Newsletters are posted on our website on the 1st of each month. Please make a note in your diary to check your emails at the beginning of each month.

School Contribution 2023

The Board of Trustees would like to thank all those parents who pay towards the school contribution. Our Ministry of Education funded Operations Grant covers the basics of schooling. Our school is well resourced and to meet the budgets in order to offer these extra resources we do rely on our voluntary school contribution. This year the contribution has been set at \$400.00 for the year, or \$100.00 per term. Parents are also welcome to pay as and when they can. This contribution covers such things as transport for sport / cultural activities, transport and entry costs for class trips, consumables for our Specialist Programmes, equipment provided by the school e.g. computers, multimedia equipment and sport equipment to name a few. Payment is through the Kamar Data Portal.

Student Absence Phone line

The safety of our students is paramount. We ask parents to **telephone** and leave a message on the absence line if their child is absent from school. Please do not email, as the email may not be cleared until later in the day. Our office staff follow up on all unexplained absences each morning.

Collecting students from school during school hours

We do try to keep disruption to the classrooms to a minimum during class time. If your child needs to leave school during the day, please ensure that you send a note or prior email to the classroom teacher letting them know. Students should leave their class quietly and sign out at the office, ready to be collected by a parent.

Student Café

This facility is open before school for students to place lunch orders or to purchase breakfast. It is also open at morning interval and lunchtime where a large range of products can be purchased.

After School classes

After School Classes have been run at BBI for a number of years. These classes have been very popular. They are run in two semesters of 14 weeks each. In the past the following classes have been offered: Japanese, Table Tennis, Drama, Public Speaking, Guitar, Art, Dancing (Hip Hop), Maths extension and Maths support. Information will be sent out in week 2 or 3 of the first term.

Information Centre / Library

Our information centre is open from Monday to Friday 8-8.30am and 3.15 - 4.30pm. Students are welcome to use the centre before or after school. This is an ideal opportunity for students who may not have access to a computer at home, or who may need additional access to research material. We have a very valuable resource, which we would like to see being fully used. Students wishing to stay after school need a note stating they have your permission to be late home.
